

*Genius*<sup>®</sup>

Genius is one of India's leading paper stationery and packaging manufacturers, converting over 15000 tonnes of paper and board each year. With a vast horizon of products being offered, Genius has years of industry experience coupled with state-of-the-art manufacturing units to evolve with ever-changing trends. Genius serves everybody – from small scale bakers to carmakers. Whether it is simple packaging boxes for home bakers, exquisite wedding cards, intricate boxes for jewellery, classy covers for liquor manufacturers, or paper stationery for the mobile phone and automobile industry, Genius has strategically established itself as a one-stop solution provider.
